## *A Night for Newcomers*

**Interested in trying a new activity this autumn?**

**If you enjoy beautiful, joyful music, friendly people, a mental challenge and movement, you should give us a try.**

**On Monday, September 19th we will be hosting a session for brand new Scottish country dancers. We will teach a few easy dances. We hope the evening will whet your appetite for more.**

**If you have soft-soled shoes, bring them, but they're not required. Feel free to bring a friend, but a partner isn't necessary. Just come and have an evening of fun. First timers, you'll leave with a smile and a ticket admitting you to your next class for free and we hope a burning desire to use it.**

**We meet at the Madison Ave. Baptist Church, 30 East 31<sup>st</sup> Street, Manhattan, at 7 PM. Admission is \$8.00.**

**For further information, call Ann Hankins 212-799-2084**
